Chief Operating Officer

Our client is a leading Hedge Fund that has successfully grown its business to become a substantial presence in the island with offices in London and Hong Kong. It sets extremely high standards in all it does and prides itself on quality of service to meet client needs, and now seeks to appoint a Chief Operating Officer to help continue the delivery of high quality services to an international client base.

This new position, reporting to the Management Board in Jersey and working closely with the other offices in defining and implementing shared group operational strategies and goals, will form part of the Executive team and be responsible for the effectiveness, planning and implementation of strategy for operational management, including

financial management, human resources and compliance, so as to meet organisational objectives within agreed budgets and timescales.

Ideally, candidates will have excellent financial skills, be able to demonstrate a successful track record in managing operations in a financial services environment, and have a commercial approach to business.

Candidates will be highly motivated, have high working standards and strong communication and people management skills, in translating strategic concepts into practical solutions in a "hands-on" environment.

Applicants should apply personally to Bob Hassell for a confidential discussion about the position.
