

HEAD OF COMPLIANCE AND RISK

JERSEY | LONDON | GENEVA | MAURITIUS | DUBAI

Our client, a long-established independent trust company, is seeking to appoint an outstanding Jersey based professional to drive forward the local and international risk and compliance framework and monitoring programme.

Whilst the existing client base largely comprises international private clients, the company is also engaged in corporate and fund services business and has a distinctive culture of valuing long term relationships. The company is seeking to further develop products and services, jurisdictions within which it operates, extend its already well established network of professional introducers and intermediaries and further develop the quality and value delivered to its local and international stakeholders.

This is an exciting opportunity to join a firm that is uniquely positioned to succeed in leading growth markets, including India, Gulf region, Africa and the global NRI market. The successful candidate will have a strong track record in a similar Compliance and Risk Management environment, have an extremely strong grip on the AML/CFT, litigation, regulatory,

corruption, market and political risks of operating in emerging markets and be capable of making a well constructed contribution to board decisions relating to new products, new services and new jurisdictions.

He or she will have strong leadership and influencing skills, an appropriate professional qualification and be able to relate well at all levels internally and externally.

Applicants should apply personally to Bob Hassell or Edith Coleman for a confidential discussion about the position:
