

# Opportunities to develop within a growing firm

Our client, an award-winning, independent and innovative asset management firm and a premier provider of global investment management, wealth management, and advisory services to institutional, intermediary and retail investors globally, is seeking key team members for its Jersey based operation.

These roles are vital in order to support the Directors, ensuring that the business of fund management and investment management operated by the Company are working effectively and that all day-to-day business is successfully completed in line with agreed standards and conditions.

## **Manager**

The successful candidate will have a thorough working experience of third party fund administration and all of its operational requirements gained, ideally, through working for another Fund Administrator. As well as strong operational experience the postholder will be able to lead, manage and motivate a small team as well as dealing with technical requirements that arise and require resolution; you will be the first point of contact for all operational problems including those of a technical nature and also have investment management responsibility.
